

Presented to

# LLC Moscow Cargo

On the occasion of their Registration and Station Accreditation at

## Sheremetyevo International Airport Khimki

under the

### IATA Safety Audit for Ground Operations (ISAGO)

This certificate is confirmation of the closure of the ISAGO Combined Audit for ISAGO registration and station accreditation purposes in accordance with the requirements of the ISAGO Program Manual Edition 2. The ISAGO Combined Audit and this ISAGO Registration means that the ground service provider at the captioned headquarters and station was able to demonstrate conformity with the applicable ISAGO Standards and Recommended Practices as specified in the ISAGO Ground Operations Manual Edition 8 for the following ground operations disciplines:

Organization and Management (ORM)  
Load Control (LOD)  
Aircraft Handling and Loading (HDL)  
Cargo and Mail Handling (CGM)

This ISAGO Registration is, subject to the requirements of the ISAGO Program Manual, valid until  
22 May 2021.
